Each course is designed to contribute to the development of one or more of the WI/INTASC Standards and if applicable, IRA and/or ISLLC Standards.

Franciscan values permeate the program. The focus of every professional education course is on the learning of the PK-12 pupil. Viterbo education courses infuse constructivist practices, use of technology, PK-12 collaboration, awareness of diversity, traditional and authentic assessment, research, and real-world experiences into the professional development of the teacher.
