

WSMA High School State Honors Music Project
2010 Flute Audition Requirements

The Wisconsin State Honors Music Project is a nationally-recognized program of excellence for Wisconsin's best auditioned music students. Students apply in November, audition in February, are selected by April 1, attend a June summer camp, and perform in October at the Wisconsin State Music Conference in Madison. By providing talented youth with the opportunity to rehearse and perform with nationally-known conductors in a professional setting, students bring back their new skills to share in their school music programs. Honors students also form lifetime friendships with others who share their level of commitment to music.
