In any given year, several thousand students audition to be part of the WSMA State Honors Music Project. This is a nationally recognized program of excellence and a prestigious addition to a student's resume'.

Preparing and performing the audition is, in itself, a valuable education experience. Being selected deserves a special reward.

The WSMA State Honors Project Award is an attractive keepsake for students from your school who have been selected for a WSMA State Honors performing group. For those students selected more than one year, the WSMA Honors Project Award provides additional recognition.

As pictured above, the award consists of a framed WSMA Honor Award Medallion and engraved brass plate in an attractive three-color matte. The engraving will identify

- the name of the recipient,
- the name of the Honors group
- the year(s)

Available in three color combinations as shown above.
